2.2 Damage or loss of equipment

2.2.1 All devices and batteries are covered by a manufacturer’s warranty. The warranty covers manufacturer’s defects and normal use of the device. It does not cover negligence, abuse or malicious damage.

2.2.2 Any problems, vandalism, damage, loss or theft of the device must be reported immediately to the school. This includes any unauthorised “personalisation” of the device such as engraving or adding stickers.

2.2.3 In the case of suspected theft a police report must be made by the family and a copy of the report provided to the school.

2.2.4 In the case of loss or accidental damage a statement should be signed by a parent/carer and provided to the school.

2.2.5 If a device is damaged or lost the principal will determine whether replacement is appropriate and/or whether or not the student retains access to a device for home use.

2.2.6 Students will be required to replace lost or damaged chargers.

2.2.7 If a device is damaged and said damage is not covered by the manufacturer’s warranty or any of the school’s insurance arrangements, the principal of the School may determine that the student must pay to the school the costs of repairing the damage or if necessary the costs of replacing the device.
