

## UNIFORM CHANGES 2017

### Background:

In 2015, a small uniform working party reviewed and updated the College uniform policy. Parents and students were able to provide feedback via Compass Insights about the current uniform at the beginning of 2016. Using this feedback and our vision for the College a number of changes have been made to improve the look, design and functionality of the uniform. We are looking to implement these changes for 2017 with a 12-18 month transition period, although school shoes are to be worn from the start of the 2017 school year.

### Major changes to include:

- ✓ Gender neutral uniform – Boys white shirt and navy pants (formerly blue/grey)
- ✓ School Dress – Made from the same material as the skirt
- ✓ Shorts – Tailored shorts
- ✓ Shoes – Black leather school shoes (with a distinct heel) to be worn. No runners (only on PE days).

### Other Changes to include:

- ✓ Jacket – lined to provide extra warmth
- ✓ Skirt – lined to provide warmth
- ✓ Girls pants – change in design: higher waist, more elastic fabric, more tapered leg
- ✓ Girls shirt – change in cut, increased length
- ✓ PE shorts – more functional fabric for increased mobility
- ✓ Accessory options to include – hat, beanie, scarf, tie, bag

### Further changes to include:

- ✓ Changes to PE shirt and track pants
- ✓ Inclusion of a rugby top as part of the PE uniform

## SCHOOL SHOES 2017

As of 2017 students will be expected to wear leather-style school shoes with a distinct heel as part of their everyday uniform.

Students are only to wear runners on the days they have PE and/or sport classes.
