

4. Check Your Child's Results

a. Task Description

b. Student results and feedback

The screenshot shows a web interface for a learning task. It has two tabs: 'Task Details' and 'Feedback'. The 'Task Details' tab is active, displaying the following information:

- Name: TOY Project - Investigation and Design.
- Due Date: 02/06/2016 04:00 PM
- Online Submission Enabled: Yes

Below this is a text area with the following content:

This is a Design Project that allows the students to create their own design and then make it out of one to three pieces of timber 600 x 140 x 12 mm.

Submitted items for this project are ;
A 3D image of the Toy is to be created in Sketchup or Creo and
A completed cutting list.

The attached sheet details the process and the submissions the students are expected to follow.

At the bottom, there is an 'Attachments' section with a link to 'Design InvestigationDocument (2)'. To the right, there is a 'File Upload | Submitted on time' table:

LEARNING TASKS

What is a Learning Task?

- ✓ A formal assessment task that takes place at the end of a unit to measure a student's understanding
- ✓ Descriptions of Learning Tasks are uploaded to Compass
- ✓ Your child will receive feedback on what they did well, areas for improvement and an overall score indicating their achievement
- ✓ If a task is modified this will be noted in the comments
