PROGRESS THROUGH DISTINCTION

## Year 6 – 7 Transition in 2020

Considering KDC for your child in 2021?

Obviously the current conditions mean that we can't run tours or an Open Night as we normally would. So, how can we help you to make your decision about a secondary school?

### Website:

Have a look at our school website at <https://www.kdc.vic.edu.au>

You can see:

- Our school prospectus
- A short video message from our Principal
- A Powerpoint presentation giving an overview of KDC Transition
- Key DET documents and data such as our 2019 Annual Report and 2020 Annual Implementation Plan (AIP)
