WHAT IS VET?

Vocational Education and Training refers to enhanced senior school studies, which enable a secondary student to combine their VCE or VCE-VMW studies with vocational training.

FEATURES OF VET

- VET is usually a two-year program combining VCE / VCE-VM studies with accredited vocational education and training.
- It enables students to complete a nationally recognised vocational qualification (eg. Certificate II in Screen Media) and the Victorian Certificate of Education (VCE) or Victorian Certificate of Education – Vocational Major (VCE-VM) at the same time.
- VET allows students to go directly into employment or receive credit towards further study.
- Important Industry Specific Skills and workplace skills are learnt through the VET program.

HOW DOES VET WORK?

A VET in Schools program is usually made up of VCE VET units which are delivered by registered training organisations, the students' school or another school within the Brimbank Cluster.

STRUCTURED WORKPLACE LEARNING (SWL)

Students undertake work with an employer that enables the student to demonstrate their acquired skills and knowledge in an industry setting. During the Structured Workplace

Learning, a student will have specific tasks to undertake in order to demonstrate competence. Students will be regularly monitored and may be assessed on the job.

CONTRIBUTION TO THE VCE

- All VCE VET programs contribute to VCE Units that provide credit towards the VCE in the same way as a VCE study.
- Most VCE VET programs can provide credit for VCE Units 1 to 4. A small number of shorter qualifications can provide credit for VCE Units 1 and 2 only.
- Some VCE VET programs are scored and some VCE VET programs are unscored.
- VCE VET programs with a Units 3 and 4 sequence can be included in the calculation of your ATAR.
- Scored VCE VET programs give you a study score for the Units 3 and 4 sequence that is achieved through school-assessed coursework and an externally set examination.
- Scored VCE VET programs provide a study score that contributes directly to your ATAR, either as one of your primary four studies or as a fifth or sixth study increment.
- Unscored VCE VET programs do not give you a study score but they can still contribute to your VCE.
- When you receive a Units 3 and 4 sequence towards your VCE from an unscored VET program, they may contribute towards the calculation of your ATAR by VTAC.

CONTRIBUTION TO VCE VOCATIONAL MAJOR

A VET program will contribute to the 180hrs requirement of the VCE-VM

Check that you can actually travel to the employer's place of business and that the available dates match your SWL needs. If the opportunity is suitable, remember to **SHARE** the SWL opportunity with your teacher who will assist you with your SWL Arrangement Form.

ENROLLING IN UNITS 3 & 4
